Europe's Premier Sulfonation System Design Innovator

IIT Srl was founded in 1976 and since that date its main field of concern has been the design, engineering and construction of plants and equipment for the production of surfactants to be used in the detergent, cosmetic, textile and chemical industries.

In 2000, IIT Srl formed an alliance partnership with The Chemithon Corporation. Using the best technologies of both companies, IIT Srl offers combined products and services in appropriate and convenient formats for the European markets, North Africa and the Middle East.

Fabricated Sulfonation Plant

Sulfer Burner with Heat Recovery Steam Boiler
